# Invent hospitality

Sites will be sold on a
"First come first serve basis"

**Please note that there are fewer hospitality sites in 2010 due to the construction taking place in and around Greenpoint. As such, please ensure that your site bookings are made early in order to avoid missing out.**

A hospitality layout plan will only be forwarded to you once we receive confirmation from the City on our allocated fields.

***While the Hospitality Village will differ in terms of layout and site availability, the service delivery and quality will remain the same.***

***All the usual facilities and services will be available and will be communicated to you in the New Year.***
